Books for Teaching About Animals | Scholastic

It probably has to do with the assumption that children find animals interesting and that content that is depicted using animals may be more entertaining for young children. It may also have to do with the idea that young children are going to identify more with the characters in books if they wear clothes, have names and behave like humans.

When kids' books feature animals with human traits

Children's Storybooks Online - Stories for Kids of All Ages

Animals help children compensate for their essentially powerless position. Very young children do not see animals as "other"; they believe that animals have human characteristics. Some of the most well-known picturebooks focus on animal protagonists - for example, Babar, Curious George, Peter Rabbit, and Paddington Bear.

Children's Literature Classics -- Animal Genre

Children's books of the time reflect this keen interest in the 'personality' of animals. So, while history delivered the perfect conditions for the inclusion of animals as lead characters in children's books, it was educational psychology that kept them there. The psychology of animal stories
