CAP - Criminal Competency on Trial: The Case of Colin ...

Competency relates to the defendant's mental state after an offense, not before or during it. A person who isn't competent to stand trial can't be convicted of a crime. Courts require competency before defendants stand trial in order to preserve due process—that is, to make sure the proceedings are fair. (This article is about competence to stand trial; for information about a related topic, see What is the standard for determining whether someone is competent to plead guilty?)
