Gender identity. Gender identity refers to how a person sees themselves in terms of gender. Some people may feel as though they were born with the wrong body parts, or in the wrong body, because their sense of gender identity does not correspond with their birth-assigned sex.

Gender Identity - Sex & U

To understand humans, Charles Darwin recognized it is first necessary to understand how they gather and transmit knowledge in ways similar to and different from their animal forebears. The more we know about dance — its presence, absence and its resurgence in individual and group life — the more we will know about ourselves: To Dance Is Human.

Judith Lynne Hanna, Ph.D.
