### Employee Engagement Deloitte

Employee engagement has become a C-suite issue, with organizations waging an escalating war to design great workspaces, provide flexible benefits, and create compelling corporate cultures in an effort to drive higher engagement. It's an aspect of workplace life that can—indeed, should—be continuously monitored in a proactive way.

### Employee engagement - Deloitte United States

Employees under the age of 25 rate professional development as their number one driver of engagement, and this is the number two priority for workers up to age 35. 44 As employees get older, their focus on development shifts away from mobility and upward progression in favor of aligning a job with long-term career goals.

worldwide from 2006 to 2019. Deloitte employed 312,028 members of staff globally in 2019.

## **Deloitte: global employees 2019 | Statista**

Employee engagement is the level of commitment, passion, and loyalty a worker has toward their work and company. The more engaged an employee is, the more work they'll put forth.

## **How To Establish A Culture Of Employee Engagement**

Employee engagement is a very abstract concept. It is the "emotional connect" that an employee feels towards its organization. What makes one feel connected to an organization and motivates to deliver her/his best varies from person to person. It also changes with respect to what is happening in and around the world.
