Executive Presence The Inner Game

What Is the Inner Game of Leadership? The inner game consists of character traits like honesty, passion, vision, risk-taking, compassion, courage, authenticity, collaboration, self-awareness, humility, intuition and wisdom. This list may seem like a tall order for training and development, but the inner game of leadership consists of the core values for authentic leadership.

Developing the Inner Game of Leadership

Tim shows why this is so. Peak performance, i.e. mastery, can only be achieved by also playing the inner game. This inner game is one that takes place in your mind. It is played against internal obstacles like self-doubt, lapses in concentration, being too easily distracted, nervousness and harsh self-
