Personal health record - Wikipedia

Funding for the Essential Plan is provided through federal tax and cost sharing credits, which are paid directly to the state by the federal government. In addition to providing a lower cost health insurance option for consumers, the Essential Plan is expected to generate over \$800 million in savings to the state's Medicaid program each year.

Basic Health Program Contingency Plan

ESSENTIAL PERSONAL PROPERTY. Policy: Household goods and personal effects determined essential property is exempt from consideration in determining eligibility for Medicaid. If they are non-essential, their value is considered with all other countable resources in determining an SSI-related A/Rs eligibility for Medicaid. References: SSL Sect. 366

ESSENTIAL PERSONAL PROPERTY - health.ny.gov

Even just a name would be useful. As a consumer I would think at least a link to myPHR.com would be beneficial. Many people searching for a personal health record don't just want to know what it is but where they can find one. The section I added was removed. Cheers Pauldaly 16:46, 27 July 2007 (UTC) Never mind. I see the External link reference.
