I'd been reading science journals for decades. I could do this! But who to write for? There are only a few science magazines for kids and it's not easy to get into them as a beginner. Plus, it just didn't seem right to tell people about all the amazing things God's made without talking about Him, too.

About - Creation Science 4 Kids

The kids record their findings in their science journals. And then we bring some dirt in for a more formal investigation the next day. We methodically use the sifters and divide the particles into different bowls according to their sizes. When we're done, the kids can clearly see that soil is made up of tiny, little rocks.
