David Morley discusses where creative writing comes from, the various forms and camouflages it has taken, and why we teach and learn the arts of

fiction, poetry and creative nonfiction. He looks at creative writing in performance; as public art, as visual art, as e-literature and as an act of community.

The Cambridge Introduction to Creative Writing by David Morley

It seems to me that this practice — and I do mean “practice” in the spiritual sense — of writing even the briefest of poems daily must significantly alter the way one encounters the world.
