### **The World Is In Me**

The World is in Me is surely a narrative of fantasy world dropped from the imagination of the writer, who with the idea of a co-existing 2D world proves his calibre as a writer. The prologue itself is so intriguing and captivating and proves the book to be a real page-turner. The narrative though not so compromising, is too good for a debut writer. Conclusively, this is a book worth your time and patience in its genre.
