What To Eat Marion Nestle

Nestle says that simple, common-sense guidelines available decades ago still hold true: consume fewer calories, exercise more, eat more fruits and vegetables and, for today's consumers, less junk food. The key to eating well, Nestle advises, is to learn to navigate through the aisles (and thousands of items) in large supermarkets.

What to Eat: Nestle, Marion: 9780865477384: Amazon.com: Books

Marion Nestle is a nutritionist and professor. What to Eat is a nicely segmented book of nutrition advice. A lot of the heady political issues are ones I've read before in Fast Food Nation, The Omnivore's Dilemma and others. Nestle has simple overall advice: "eat less, move more, eat lots of fruits and vegetables, go easy on junk foods."
