### The Collected Writings of John Maynard Keynes

Money portal. Business portal. v. L. e. John Maynard Keynes, 1st Baron Keynes CB FBA ( / keɪnz / KAYNZ; 5 June 1883 – 21 April 1946), was a British economist, whose ideas fundamentally changed the theory and practice of macroeconomics and the economic policies of governments. Originally trained in mathematics, he built on and greatly refined earlier work on the causes of business cycles, and was one of the most influential economists of the 20th century.

### John Maynard Keynes - Wikipedia

Little of Keynes's original work survives in modern economic theory. His ideas have been endlessly revised, expanded, and critiqued. Keynesian economics today, while having its roots in The General Theory, is chiefly the product of work by subsequent economists including john hicks , james tobin , paul samuelson , Alan Blinder, robert solow , William Nordhaus, Charles Schultze, walter heller , and arthur okun .
