The average attention span today has dropped to 8 seconds (which means you may want to send out detailed bullet points reviewing what was discussed at your last staff meeting). With more distractions today than ever before for the average person, it has become as difficult as it's ever been to get a message across.

## **You've Got 8 Seconds: Communication Secrets for a ...**

Communication, after all, is something we all do all the time without giving it a great deal of thought. *You've Got 8 Seconds* could change that as Hellman explores how to avoid being lost in the communication avalanche that came with the Information Age. Oh, and did I mention that you might also find yourself laughing out loud as you read it?
